President's Message

And now we are in September, with *Where There's A Will* having played to large houses, with *The Full Monty* in rehearsal mode, and Yarrageh Drama Festival getting closer. We had good feedback from The Einbunpin Festival, with lots of flyers handed out. A big thank you to those who helped on the day. We are still looking for submissions for next year's calendar, so if you have something in mind, come forward. We are in need of a new Web Master, so if you have those kinds of skills, please get in contact with the committee.

And this is where I will leave you all for now. I hope to see lots of you at *The Full Monty*. Thank You.

Another Mystery Solved: The Curtain falls on *Where There's a Will*.

Our production of *Where There's A Will*, has come and gone. Did you manage to guess who the murderer was? Many people tried, some succeeded while others were stumped, but they all had a great time.

Congratulations to all involved.

The final summation, where Inspector Pelley unveils the guilty party...or does he?

Freya Crema made her STC debut.

Nat Nimmo is shocked that it's all over.

Did you bump into Sandgate at Einbunpin?

Sandgate Theatre Company made a visit to the annual Einbunpin festival this year! Various members manned the stall to hand out flyers promoting our group to the general public. Some firm friendships were also formed, such as our Assistant Secretary Paul Chong and this, as yet, unclassified bird.

Submissions for our 2020 Season will be closing soon.

The Committee of Sandgate Theatre is calling for submissions for our upcoming 2020 season. We have decided to have a full plan for next year's season firmly in place in 2019 and looking for expressions of interest from directors or recommendations for plays we could perform.

As the management committee will be required to read all submissions, please ensure you are able provide us with a copy of the script you are proposing.

The Full Monty Enters the Rehearsal Phase!

Our final main house production of the year, The Full Monty, has now entered the rehearsal phase.

It promises to be a musical extravaganza with a mixture of familiar Sandgate faces with some newcomers coming in to learn the ropes.

Directed by Lillian Harrington with Trish Keisler as Musical Director.

Six unemployed Buffalo steelworkers, low on both cash and prospects, decide to present a strip act at a local club after seeing their wives' enthusiasm for a touring company of Chippendales. As they prepare for the show, working through their fears, self-consciousness, and anxieties, they overcome their inner demons and find strength in their camaraderie.

More details to come as we get closer to the performance dates, but suffice it to say you won't want to miss this one.
